“Parents and guardians, as well as families, are the most influential agents of catechesis for their children. They catechize primarily by the witness of their Christian lives and by their love for the faith. Parents or guardians are catechists for their children precisely because they are parents or guardians, not because they have developed any specialized skills. When children are baptized, parents accept the responsibility to bring up their children in the practice of the faith. At the same time the Church promises to help parents foster their children’s faith.” (Chapter 8, Summary of the National Directory for Catechesis)

It would be a disservice to you as parents if St. Rita took away your responsibility of forming your children in the faith. St. Rita Parish wants to partner with you to help foster your child’s faith. St. Rita’s Faith Formation Program expects you to be involved in some way. Please choose one of these options.
